

Continuity of Education Plan

School District	Susq-Cyber Charter School
Superintendent	Patricia A. Leighow
Address	240 Market Street Bloomsburg, PA 17815
Email/Phone	pleighow@susqcyber.org 570-245-0252 Ext 1003
Website	www.susqcyber.org

Goal of Plan

Continue to provide uninterrupted full instruction to our students for 180 days.

Overview of Plan

Continue live courses through CANVAS and zoom for all of our students.

Expectations for Teaching and Learning

Expectations that reflect rigor and relevancy for our students will remain in effect, as will the teaching expectations as outlined in the Danielson Model's addressing the framework for teaching through the four Domains.

Communication Tools and Strategies

Communication will continue via email, conference calling and virtual meetings.

Access (Devices, Platforms, Handouts)

We use a MAC platform in a one-on-one environment. PowerSchool is our learning management system; CANVAS is the application we use to houses our curriculum and zoom is the connectivity application that we use.

Staff General Expectations

One office staff member is coming into the office daily to maintain operations. The balance of the staff is working from their homes. Phone calls have been forwarded from their office extensions to their home phone.

Student Expectations

Students are expected to log in every day and submit assignments on a daily basis. They are also required to log in with their homeroom mentor every day.

Attendance / Accountability

We are still recording attendance for our own internal purposes although it will not be submitted to PIMS.

Good Faith Efforts for Access and Equity for All Students

All students at SusQ-Cyber Charter School continue to have the same access and equity to their education.

Special Education Supports

Services are continued to be offered as per the IEP. IEP meetings are held and re-evaluations are being submitted

EL Supports

N/A. Currently we do not have EL students enrolled.

Gifted Education

N/A per our Charter.
